

# UTILITY OPERATOR I (WASTEWATER)

Would you like to provide a vital service to your community, work with a tight-knit group of individuals and use your mechanical knowledge? We are currently accepting applications for a Utility Operator I position at the Wastewater Treatment Plant in the Community Services Department. This position is responsible for the efficient operation and maintenance of pumps, motors, and auxiliary apparatus for a wastewater treatment plant and lift stations.

## Why should you apply?

- Wage Rate: \$23.18 - \$27.00 per hour
- Full-Time Employment
- Excellent Fringe Benefits (including health insurance, vacation time, etc.)

## What are we looking for?

- Required:
  - High school diploma or equivalent (GED, etc.)
  - Candidates must possess or obtain (within 6 months of hire) and maintain a valid Class A, B, C, D CDL license with tanker endorsement and no air brake restrictions
- Preferred:
  - A thorough understanding of generators, pumps, electric motors, and wastewater instrumentation
  - A working knowledge of hydraulics and electricity
  - Good computer skills
  - Wastewater Operator experience
  - State certification as a Wastewater Operator
